President Garfinkel thanked all for attended and also thanked Jared Ransom for all of the programs he had put together this past year.

Treasurers Report:

Mike Venturo provided a written report.

Acceptance of Previous Meeting Minutes:

A motion made by Jared Ransom and seconded by John Gillen to accept the minutes of the April 20, 2017 meeting with a correction under "Finance" that we would expect \$5,000 rather than \$4,000 by hosting the Annual Conference. The motion was carried.

Vice President's Report:

Jared reported he is setting up a Red Wings game on June 23rd to include box seats and dinner for a price of \$25. We would like to have at least 30 people attend. The Annual Picnic is scheduled for July 15th in Mendon Ponds Park.

Jarod introduced Gary Bogner from the Boy Scouts for a presentation with Stuart Schnetteer on the Explorers. It is hoped that GVLSA could participate in a new program that exposes the scouts to various career paths in many disciplines. Groups or companies that would like to become a sponsor are needed. President Garfinkel indicated that we could act as a facilitator in reaching out to firms that may be interested in the program. Mic Arsit and Jonathan Navagh will be a committee to look into setting this up.

Renee Gurslom from Paul Smiths College spoke. It is imperative that we encourage students to enter the Surveying field since the ranks of surveyors are being depleted with many of us retiring. She spoke briefly on the program being offered at Paul Smiths.

There being no further business to come before the meeting, it was adjourned by President Garfinkel at 7:30 PM.

Following the meeting Jared Ransom put on a program on Cooley's Dictum.
