President's Report: For this meeting, President Garfinkel gave an update on several of the items the Association has been working on:

- Jared Ransom and Robert Avery should have an update at the September meeting regarding any proposed changes to the By-Laws.
- An online survey has been developed by Jonathan Navagh and it should be ready to send out to the membership next week.
- We are moving closer to having an agreement with MCBA regarding new survey standards for Instrument Surveys.
- Roy is planning on getting together with County Surveyor Greg Bly regarding making subdivision maps available to local surveyors from the County Clerk's Office. Frank Russell suggested that Dick Kellar be contacted regarding a plan that Bob Prescott had put together on this matter. Another topic of discussion with the County Surveyor has to do with apparent additions made to the subdivision checklist for filed map submittal. It was suggested that we invite Greg to attend one of our meetings regarding these items.
- Upcoming events include the June 17th Sporting Clay Shoot at the Batavia Gun Club and GVLSA Summer Picnic on July 16th at Mendon Ponds.

There being no further business to come before the meeting, President Roy Garfinkel closed the meeting at 8:16 PM.

Attendees were then pleased to watch an Adirondack High Peaks presentation put on by Jared Ransom and John Gillen.
